No visit to India is complete with visiting New Delhi & a drive along the Rajpath to the President's House and India Gate. But Old Delhi is the historic hub with its Red Fort, Chandni Chowk bazaar and the ornate Akshardham Temple.

Heading for the jungles of Ranthambhore, we will stop at the 16th century ghost town of Muslim, Hindu & Jain architecture. Then it is safari time! Based in jungle villas, we will take 5 game drives to look for the nocturnal camera shy tigers, elephants and other native game of India.

After our last morning game drive we will depart for "the pink city" of Jaipur surrounded by a massive wall pierced by ornate structures. After a good night's rest prepare to ascend the Amber Fort to admire Rajput architecture.

Feb 12-17 2020

Delhi's ancient capital, where you will enjoy the magnificent view from Swayambunath Temple, the largest Buddhist stupa in the world. We will stay 3 nights. We will visit Patan temples and palaces plus workshops of skilled artisans creating handicrafts. A short flight to Pokhara, Devi's Fall, Seti Gorge, Mahendra Pool, Lake side and the Bindabasini Temple before heading to Kathmandu for 2 nights with a panorama of the Annapurna range and Mt. Machhapuchre.

Breathtaking Alpine beauty plus the play of the decade!

Don't delay as our tickets are almost gone!

Once every ten years Blue Horizon Travel has the opportunity to take you to Germany's Oberammergau Passion Play. This inspiring and uplifting play with a cast of over 2000 musicians, chorus members and theater crew has been re-enacted every 10 years as a dedication by villagers since the Middle Ages when the village of Oberammergau was spared the Bubonic Plague. The surviving villagers appealed for Divine intervention to save them. If God were to spare them, they would perform a Passion Play every ten years. Villagers who were not a person fell victim to the Plague after that. Keeping their promise, the people of Oberammergau performed the 1st play in 1634 and have continued to do so through the centuries.
