More about your ports of call

Mackinac Island, Michigan

Trapped in time and surrounded by staggeringly beautiful landscapes, Mackinac Island centers the spirit and soothes the soul. Settle into the tranquil pace of this treasured destination on a tour by horse-drawn carriage. Fill up on fresh, local flavor with a lunch to remember at the island's legendary Grand Hotel. Afterward, let your gaze lazily wander across the stunning vistas from its colossal porch – the world's largest.

Sault Ste. Marie, Michigan

A city divided presents duality in experience; Sault Ste. Marie, MI, and ON, bridged together by name and commerce, are diverse waterfront communities that harbor a flood of opportunity. Culture beats through street veins that connect these harbors to the distinctly different North American countryside beyond each border. Join the included tour, and admire the view from the Soo Locks observation deck, or peer into the past in the preserved fur traders' settlement homes on Water Street. Drink in the atmosphere, and encounter life in Sault Ste. Marie.

Little Current (Manitoulin Island), Ontario, Canada

The raw beauty of Georgian Bay leads to the world's largest freshwater island – Manitoulin – featuring picturesque granite outcrops and rolling farmland. In its largest town, Little Current, indigenous life and legend meld with European history, with Immaculate Conception Church and its distinctive tepee-like architecture as a symbol. Venerated rhythms of the ages come to life in the talented hands and feet of Native drummers and dancers on an island considered sacred by the native Anishinaabe people.

Detroit, Michigan

There's no better place than the Motor City to choose an optional premium experience to explore the captivating history of the automotive industry – and so much more – at The Henry Ford. Be astounded by the museum's vast and varied artifacts of American heritage. The extraordinary exhibits chronicle the lifespan of a nation. All guests may choose the included excursion to the Detroit Institute of Arts and its 100-plus galleries, the Charles H. Wright Museum of African American History, the West Canfield Historic District and other city highlights.

Cleveland, Ohio

Step off the ship onto what some call America's "North Coast" and discover why Clevelanders are so fiercely proud of their home. The reinvented city reverberates with vitality and a cool new atmosphere. Expand your mind at the world-class Cleveland Museum of Art, with over 45,000 works to explore. You can also feel the backbeat at the museum devoted to one of America's finest gifts to the world – the Rock & Roll Hall of Fame. An optional premium experience to Geauga County offers a glimpse into a simpler way of life with a visit to an Amish home for a traditional wedding feast.

Niagara Falls (Port Colborne), Ontario, Canada

Begin your day in breathtaking Niagara Falls, which attracts millions of visitors each year. An optional pre-cruise premium experience takes you to the heart of its splendor for a Hornblower catamaran ride into the mist. Afterward, take lunch for a spin in the rotating Skylon Tower, followed by a tasting at local winery and shopping at Niagara-on-the-Lake. Deluxe motor coaches will transport guests a short distance to the ship in Port Colborne.

Toronto, Ontario, Canada

As the journey concludes, there are other opportunities for you to take in the town. Enjoy the city at your leisure, or consider a post-cruise premium experience with airport transfer.
