## *Paris & The Splendor of the Seine* *June 1 - 11, 2023*

Join Blue Horizon Travel & Mayflower Tours June 1 - 11, 2023 as we visit Paris, the City of Lights for 2 nights, then journey down the majestic Seine on a 7-night cruise from Paris to Normandy on the Scenic Gem. From Paris the Seine flows through the romantic Isle-de-France region into Les Andelys where we see King Richard the Lionheart's Chateau Gaillard. Then on to Rouen, the Capital of Normandy. Take in the famous sights of Joan of Arc (a national heroine of France who was tried and sentenced here), visit the Rouen Cathedral and explore the Museum of Fine Arts or go on a full day excursion to the World War I Somme battlefields.

From Rouen the Seine river winds its way to Honfleur. There's so much to see in this city. Visit the Normandy beaches, explore glamorous Deauville, observe the Landing Museum at Arromanches, and take part in a private cocktail event in the Manoir d'Apreeval. From there we travel on to Caudebec-en-Caux and have an opportunity to visit Monet's former residence & gardens in Giverny and see Vincent van Gogh's last place of residence at the Le Maison de Van Gogh in the town of Auvers-sur-Oise.

Then it's back into Paris where guests have over a day to explore, independently or with a professional guide. Finish your river cruise on a high note with a visit to the Versailles Palace. Included on board are all your meals, complimentary beverages & daily tours. **FREE AIRFARE IF BOOKED BY 12/31/22!**

## BON VOYAGE LINDA

Longtime clients and friends of Linda Meadors and her daughters gathered at the German American Heritage Center to say “Bon Voyage” as Linda retires from *planning travel for others to enjoying more personal travel* in the years ahead. She will oversee client itineraries booked in 2022 for 2023 and will refer any new inquiries to the Blue Horizon team.

After 28 years of leading groups and advising travel clients, Linda has traveled to all 7 continents and still has some bucket list destinations she needs to explore. Her Uganda Safari and Primate Trek in June 2023 is a perfect example. Linda is serving as a guest host for this small group. See our separate article on page 3.

Pictured in the photo on the left and going to the right are Heather Salisbury (Linda's daughter), Linda & Jenni Salisbury (Linda's daughter)

Pictured in the photo on the right - Linda's first group client in the Quad Cities, Marvel Green, and Linda's childhood friend since 3<sup>rd</sup> grade, Ann McConachie, reminisce memories of their 2011 safari to Tanzania and Kenya with Blue Horizon.

## Discover the Best Kept Secret in the Caribbean

Marlene & Diane recently returned from the big charter yacht shows in Tortola, BVI & St. Thomas. We literally got on and off over 100 sailing vessels - inspected the interiors and met the crews. There were a few power yachts & monohulls but mostly we saw catamarans. We have lots of new boats to choose from.

Blue Horizon Travel and Yacht Charters offers the very best in sailing and scuba diving vacations aboard some of the world's finest crewed charter yachts available. Discover the magic of the US & British Virgin Islands for no more than the price of a luxury cruise or an all-inclusive resort. Prices start at only \$3,500 per person, all-inclusive, based on six people for a 7 night charter. A perfect alternative to the big cruise ships!
